Refuse, Garbage, and Recycling

Please be reminded that garbage and recycling containers may not be placed out for collection sooner than 8:00 PM the night before collection and must be removed by 8:00 PM the day of collection. Containers must be stored in the garage on non-collection days. Garbage containers (cans) must be utilized rather than plastic bags.

Pets

Please be reminded that pets should not be left unattended outside, even if the area has been enclosed. Pets shall remain on a leash no longer than six (6) feet long while on Common Areas. Pet owners are to respect the private property of other residents and avoid allowing their pets to roam on other residents' property.

HOA

Overnight Parking

Please be reminded overnight parking is not allowed. Overnight parking is deemed to be any time between the hours of 1:00 AM and 6:00 AM. **NIGHT PATROL CONTACT NUMBER**

Home Rentals

We would like to reiterate the HOA rules regarding home rentals with the season approaching. Rentals have a 30-day minimum requirement and homeowner membership will be fully suspended during the lease timeframe. The office requires a Transfer Form, a Membership Form, and a fully executed lease 15 days prior to tenant arrival.

We are tracking Airbnb, Homeaway, and VRBO rentals. The HOA has the right to deny renters access to the property if correct procedures are not followed. If you have questions about these procedures, please contact the administrative office for assistance.

Transponders

Please note the administrative team is experiencing a very high volume of traffic in the office. In order to process new transponders efficiently, please email your request and a copy of your vehicle registration to LWNADMIN@theiconteam.com. Additional transponders are \$25.00.

Replacement Membership Cards

Please email your request to LWNADMIN@theiconteam.com. **Replacement cards are \$10.00.**

Open House Policy

We have received many questions regarding the Open House policy including acceptable signage. Please note the following:

- No sign, banner, advertisement, or poster (including “open house”, “for sale” or “for rent” signs) shall be exhibited, displayed, inscribed, painted, or affixed, on or upon any part of the Properties without prior approval of the ARC.

HOA

- Open houses shall only be permitted on Sundays between 1:00 PM and 4:00 PM. Only a Florida Licensed Realtor or a Homeowner may hold an open house. The Association must be notified no later than 5:00 PM on Wednesday prior to the open house. A list of open houses will be placed at the gatehouse. Only one (1) approved open house sign may be placed on the lawn of the home during the hours of 1 PM to 4 PM on Sunday. Directions, signs, balloons, and/or flyers are prohibited. Signs placed in violation will be removed and disposed of without prior notice.

To notify the Association of an Open House you or your Realtor intend to have, you must email LWNAdmin@theiconteam.com or cefoster@theiconteam.com. If we do not receive your request prior to the 5:00 PM Wednesday deadline, the gatehouse guards will not permit anyone to enter the property for your Open House.

School Bus Stop Parking

The school bus picks up and drops off students at the front entrance of Lakewood National Golf Club. For the safety of the children and parents, please park on the side within the community and walk to the bus stop just outside the front gates. There is not enough space in front of the gatehouse for cars to park.

Speed Limit

The speed limit within the community shall is 25MPH.

Landscaping

If you have a landscaping or irrigation issue the best and fastest way to have it addressed is by submitting a work order directly to ArtisTree. This can be done directly through the website under the HOA tab and under Documents & Forms. The link is at the bottom of the page. The community code is LAKE-727.

TRASH DISPOSAL - CONDOS

HOW TO DISPOSE OF YOUR TRASH:

- If your item doesn't fit in our blue recycling bins (too big or the blue cans are FULL) or it is something that cannot be recycled, it needs to go in the dumpster.
- If it doesn't fit in the dumpster (too big or the dumpster is FULL), it's the resident's responsibility to identify where to properly dispose of the item.
- If it is recycling that is too large to fit in one of our dumpsters, there are nearby FREE recycling dumpsters provided by the County located at the Lakewood Ranch Park (5350 Lakewood Ranch Boulevard) and Braden River Park (5201 51st Street East). These are huge dumpsters that can accomodate giant tv boxes, car seat boxes, furniture boxes, etc.
- If it cannot be recycled at one of the free recycling dumpsters, it should be donated somewhere if in usable condition or taken to the Lena Road Landfill.
- Again, nothing should ever be on the dumpster area floor. If there is trash on the floor in front of our dumpster, the truck driver will not attempt to empty them and we will have to spend additional money for Junkluggers to come out.

Board of Directors Meeting Notes

This meeting was recorded and can be viewed by clicking on the link on our member website – HOA/Board of Directors Meetings/Recordings. Presentations given at this meeting are also available for viewing on the same web page (/Presentations).

- **Insurance** – The Board approved the purchase and renewal of two insurance policies, Directors & Officers Liability and Commercial Equipment. The Board also approved the purchase of an Environmental Impairment Liability policy. The Board did not approve the purchase of Flood Insurance policies, noting that our buildings are not located in a flood zone.
- **Acid Injection Proposal** – The Board approved the purchase of an acid injection system for our community irrigation system (which waters both courses and the entire community). The system will improve the quality of our irrigation water.
- **Northstar Club Management Proposal** – The Board approved the purchase and implementation of the Northstar club management software. This software platform will replace older software, enhancing management efficiency and member experience.
- **2024 Racquet Program Rates & Fees** – The Board approved Racquet Sports rates and fees as well as the continuation of Interim Tennis Memberships for the upcoming year.
- **2024 Operating Budget** – Treasurer Aldo Servello presented a PowerPoint review of our 2024 operating budget.
- **Reserve Study** – David Whann, from the firm Association Reserves, gave a presentation of LWN's reserve study. Reserve studies are a very important budgeting tool that assist homeowners associations in predicably planning for the future repair, maintenance and replacement of major building and infrastructure components. Doing so protects homeowners from unexpected special assessments, thereby preserving and enhancing homeowner property values.
- **Outside Golf Memberships** – A presentation was given to commence discussion about LWN's membership structure in general – should we be semi-private (allowing some public access to our amenities, such as golf), private (allowing certain interim memberships), or fully resident-only – and more specifically whether public golf should be replaced by a limited number of interim golf memberships for 2024.

Upcoming Meeting Schedule

- October 3rd – 3:00 p.m. – Note: this is a **Tuesday**.
- October 12th – 3:00 p.m.
- October 23rd – 6:00 p.m. – 2024 Budget Town Hall - Bayside Church
- October 26th – 3:00 p.m. – 2024 Budget Adoption

FROM THE MANAGER'S DESK

Dear Members,

I hope you had a productive week and are looking forward to a relaxing weekend ahead.

We would like to thank all who attended the Coffee with the CAM event on Wednesday. It was a very enlightening conversation for both the staff and the Members and we look forward to hearing more from you! Moving forward, we will have a registration for this event that will occur on the second Wednesday of every month at 9:30 AM in the Clubhouse.

You may have noticed that this week we have been installing mulch in the common and residential areas. If there are any issues with the installation around your home, please reach out to me for assistance.

We would like to remind you about our leasing policy. If an owner does not transfer their membership to their renter, **the renter does not have access to any amenity including the satellite pools.** We allow non-transfer renters to have a transponder if they provide the lease and other required documentation, as this is considered access to the property, not the amenities.

If you have any questions, please feel free to reach out to me directly at gplotkin@theiconteam.com or 941-777-7035.

Thank you and have a great weekend!

Thank you,

FITNESS

CLASS DESCRIPTIONS

Most classes are approx. 50-60 minutes of active time.

AQUA FUN & SPLASH: Take the plunge for a fun filled shallow water class with lively music to keep you moving! Enjoy all the benefits of water exercise to stay fit with low impact moves that are easy on the joints. Just the resistance of the water helps improve cardio fitness, gain endurance, flexibility, and strength! *With inclement weather, water aerobics will be cancelled & instructor may offer indoor class. Bring change of clothes/shoes.

BARRE: Barre is a rigorous hybrid workout incorporating elements of ballet, yoga and Pilates! The low impact exercises focus on high repetitions, small range and isometric movements - expect to feel the burn and shake a little (or a LOT!) Barre is also ideal for flexibility, overall balance and coordination.

CHAIR YOGA: Bend, stretch and rejuvenate your body from the comfort of a chair. Enjoy traditional yoga poses and breathe without coming down to the mat! A gentle yoga well suited for those with limitations.

CIRCUIT BOOTCAMP 45 (NEW): Circuit Bootcamp is a total body workout focusing on upper & lower body strength, core stability, speed and agility. This circuit can accommodate all levels by increasing or decreasing the amount of weight used for the strength circuit, and increasing or decreasing the speed, intensity and ROM on any exercise. No matter what level you consider yourself, you will find a challenge in this workout! Class length is approx. 45 minutes.

DANCE FUSION (NEW): This fun class focuses on easy-to-follow dance moves and light body weight training, all while listening to energetic pop and international music. Feel the music and reshape your body and mind in this exciting dance atmosphere!

PILATES PLUS: Welcome to Pilates Plus! No Pilates experience necessary! You will be guided through pilates-style moves to increase balance, build a strong core, tone your entire lower body including glutes, inner & outer thighs, PLUS use light weights to tone and strengthen your entire upper body. We'll be targeting the back, biceps, triceps, and shoulders so you can feel confident all summer long!

PIYO (NEW): Combine the health benefits of Pilates and Yoga all in one fitness class! This functional training workout is designed to strengthen your entire body in a controlled manner to improve mobility and flexibility.

SPIN: All levels! Hop on a bike and enjoy the RIDE. Achieve fast results (with consistency) and be challenged with a combination of HIIT (high intensity interval training) and endurance training. Enjoy the music and the challenge!

STRENGTH AND SERENITY YOGA: A hybrid yoga class. This blended style combines both traditional flows and poses with deep breathing techniques and static stretches to bring both strength and serenity to the body and mind.

STRETCH & SCULPT: This low intensity class will start off with stretching, balance work and mobility work (such as foam rolling) in order to alleviate tightness, target pressure points to help lengthen muscles, increase range of motion, and reduce stiffness. The remainder of the class will transition into light "sculpting" of different body parts each week. Focus of sculpting may change from week to week, going from lower body priority (glutes and thighs) one week, and focusing on upper body (back and arms) another week.

TIGHT-N-TONE (TNT): A simple to follow workout featuring a low weight, high repetition format to help build a lean, sculpted body! Improve your muscle strength, endurance, posture and balance as you pump those muscles to fun and familiar tunes. Resistance bands and tubes may be utilized as well to gain maximum training results. Finish with a core workout as well as a refreshing, lengthening stretch. Great for most fitness levels.

TOTAL BODY CIRCUIT (45 MINUTES): Full body toning with a blend of cardio and strength that keeps you burning calories at a higher rate. Consists of a consecutive series of varying exercises performed one after the other with short amounts of rest between each.

TROUBLE ZONE TONE: A total body strength and toning workout designed to target those notorious trouble zones with upper- and lower- body sculpting exercises to help torch fat faster and tighten your problem areas. So come on in to lift your seat, tone your thighs, sculpt those abs, and say goodbye to those muffin tops and wobbly arms! Dumbbells and some accessories may be used. Low impact and appropriate for most fitness levels.

XTREME HIIT: A High Intensity Interval Training (HIIT) workout designed for the intermediate/advanced person wanting to lose fat, tone muscle and improve cardio endurance. You won't get bored with this mix of plyo, weights, and core sculpting moves! Get this workout done first thing in the morning and you'll elevate your metabolism throughout the day!

YIN YOGA: Focuses on the internal, passive, cooling and downward aspects of Yoga. Poses/stretchers are held 3-5 minutes to allow work on the deep, dense connective tissues and joints in the body. A slower, more relaxing style of Yoga.
